VOL. IV. RALEIGH, N. C., SATURDAY, OCTOBER 3, 1868. NO. 45.

The Daily Sentinel.

WM. E. PELL, Proprietor.

From the Baltimore Gazette.

SCANDALOUS OUTRAGE OF A SOUTHERN RADICAL JOURNAL.

While it is our earnest desire at all times to exclude from the columns of the *Gazette*, everything that savors of brutality and blackguardism, it sometimes becomes our duty to vindicate the truth and the right by exposing to public indignation what is low and vile. We must, therefore, now call attention to an extract from an editorial article in the Raleigh *Standard*, a sheet which is the organ of Holden, the bogus Governor of North Carolina. The article is entitled "Work," and it concludes thus:

[Here follows the infamous article.]

How much more of oppression and of insult, we calmly ask, are the people of the South expected still to bear? Ruled over by negroes and by white adventurers or renegades, who could not command the votes of five citizens out of a hundred throughout the State, the Southern people are told to submit in silence to be defamed and lied about in the North, and to hear their wives and daughters addressed in foul and scurrilous language at home. It is not strange that, as a correspondent writes, "this last article has aroused a terrible sensation all through North Carolina." * * * * But the admirable spirit of forbearance which the Southern people have heretofore manifested under such unparalleled and trying circumstances will, we are sure, be exhibited until, in the eyes of the civilized world, forbearance will no longer appear to be a virtue. Millions of free-born American citizens cannot be forced to submit forever to despotism, to persecution, and to insult, and the low ruffians who have crawled into power in the South are, by their violence and falsehoods, scattering broadcast the germs of a whirlwind which, if they persist in their present course, they are destined inevitably to reap.

THE BEST OF THE ARGUMENT.

[From a Late Speech by Mr. Pendleton.]

"As I was travelling in the East, the other day, I heard a dispute going on between two men in the railroad car. One of them had a big burly voice. I was a little modest, and when I heard the dispute going on I did not look back, but I do not see a man on the stand big enough to own such a voice. [Laughter.] He was a Republican, and had lost his temper. The other man had a weazened squeaking voice, that might have belonged to a girl. The subject of the Convention at New York came under discussion. I heard the big voice say—if the ladies will excuse me, I will use the very language that he did, though it is not very fit for ears polite, and I was shocked that Puritan New England should endure such language in public:

"Every rebel at the South will vote for Seymour and Blair." [Laughter.]

"Well," says the little fellow, "I wish they would; it is the first sensible thing I have heard of their doing in ten years."—[Laughter and cheers.]

That only made our Republican friend a little more angry. He said:

"Every d—d thief in the country will vote for Seymour and Blair." [Laughter, and cries of "Butler."] There is no telling what Butler will do if he sees we are going to win. [Laughter.] The little fellow answered:

"I hope they will; it only shows that they have stolen enough, while they are now come to repentance and a better heart."

Says the other: "South Carolina will vote for Seymour and Blair."

"Well," says the little fellow, "South Carolina is getting along very well, if you will only let her alone. My experience in life has always been that it is easier to coax a dog with a beefsteak than to entice him with a stick." [Laughter.]

I concluded that my little Democratic friend had got the better of that argument, and answered satisfactorily all the talk we hear about the rebels we have in the Democratic party. Instead of being sorry they are there, I am glad of it; I wish there had been more of them, for I believe, as General Grant said, when he made his report the fall of 1865, they bear with patience the result of defeat, and are prepared to be now loyal citizens in peace, as they were brave enemies in war. [Cheers.]

THE CARPET BAGGER.—A carpet-bagger is rarely found in the society of white men. He is most at home where negroes most do congregate. He eats and drinks with negroes. Sometimes he sleeps with him.—Until reconstruction changed his mode of life, he relied upon no honest pursuit, calling, or profession. In the eyes of the law he was a vagrant, for he had no visible means of support. He taxed the negroes in one way or another for bread and meat and wearing apparel and a little loose change. The ignorance and credulity of the poor negro were his main stay. With the execution of the reconstruction laws he loomed into importance. The vagrant and sharper of the day before became a political leader. He registered votes; he conducted elections; he was a member of the Convention; he framed the Constitution; he is a member of the Legislature, or a Probate Judge, or a Clerk of a Court, or a Sheriff, or Lieutenant Governor, or a member of Congress, or United States Senator. His pockets are full. He is a ruler in the land. And now, having been lifted up by negro votes, and finding the negro is becoming tired of his hypocrisy and deception and will not trust him any longer, he is in favor of depriving the people of the choice of their officers; and in order to secure the interference of the United States to retain him in the place he has fraudulently obtained, he uses his position to give weight and credit to the most atrocious falsehoods about the sentiments, feelings, and conduct of the people.

This is an imperfect sketch of a carpet-bagger. There are thousands in the South who fill the bill. They are the only class of the population we can spare. We should rejoice with exceeding great joy to be rid of them. They will only stay here until the laws are fully enforced and the Courts fairly at work. The most of them have made themselves liable to the penalties of the law. They will soon emigrate. We wait with pate nce the day of our deliverance.—*Exchange.*

Says Mr. Prentice: "We publish this morning a sketch from the New York World about the carpet-baggers. It gives the *personnel* of all of them, and a sorry set they are. It affords us great satisfaction to know that we are not a member of Congress."

THE RADICAL ORGAN'S ADVICE TO RADICAL CANVASSERS.

Here is the advice given by the Raleigh *Standard* to the canvassers of its party in North Carolina. Here is the PEACE to which we are invited by the election of GRANT and COLFAX. Here are the necessities requiring Holden's six thousand DETAILED MILITIA. MEN OF NORTH CAROLINA, read this insult to your mothers, your wives and your daughters, and learn the purposes of the cowardly adventurers who are now governing your State. Says the *Standard:*

"BUT WHEREVER ELSE YOU WORK, DON'T FORGET TO WORK AMONG THE WOMEN. THE CONFEDERACY WOULDN'T HAVE LASTED A YEAR IF IT HADN'T BEEN FOR THEM. ONE GOOD REBEL WOMAN IS WORTH A DOZEN REBEL MEN. GO AFTER THE WOMEN THEN. THEY WILL MAKE THEIR HUSBANDS SHOUT FOR GRANT AND COLFAX UNTIL THEY ARE HOARSE, IF YOU WILL MANAGE TO REMOVE SOME OF THE DIAMOND RINGS AND LOCKS FRANK BLAIR STOLE FROM THEM WHEN HE WAS HERE. AND DON'T HESITATE TO THROW YOUR ARMS AROUND THEIR NECKS NOW AND THEN, WHEN THEIR HUSBANDS ARE NOT AROUND, AND GIVE THEM A GOOD——! THEY ALL LIKE IT, AND THE YANKEES YOU ARE THE BETTER IT TAKES. OUR EXPERIENCE WITH FEMALE REBS IS, THAT WITH ALL THEIR SINS, THEY HAVE A VAST AMOUNT OF HUMAN NATURE, AND ONLY WANT TO HAVE IT APPRECIATED TO BE THE MOST LOVING CREATURES IMAGINABLE. SCALAWAGS AND CARPET-BAGGERS, YOU ARE ALL GOOD LOOKING AND THEY KNOW IT, BUT WITH NATIVE MODESTY, LIKE NEW ENGLAND GIRLS, THEY LIKE TO BE APPROACHED FIRST—DON'T BE AFRAID OF THEIR EYES—THEY GLARE LIKE YOUNG LEOPARDS BY DAY LIGHT, BUT UNDER THE MOON NO BLUE-DEATH-STRICKEN FAWN'S IS HALF SO TENDER OR HALF SO DEEP. DON'T READ JUDGE PEARSON'S LETTER TO THEM, BUT GIVE THEM BYRON AND SHELLEY IN VOLUMES AND YOU WILL HAVE THEM IN YOUR ARMS, IF NOT IS YOUR FAULT, IN LESS THAN A WEEK."

WHAT RADICALISM HAS DONE IN NORTH CAROLINA.

On the first day of July last, Radical *Civil* Government, in all its departments,—Executive, Legislative and Judicial,—went into operation in North Carolina. It came in with flaming promises of what it would do for the people. What has it done? Let us see:

1. Within six months, it has added TEN MILLIONS of dollars to the already enormous indebtedness of the State.

2. In its Legislature, it has squandered with a venal and profligate hand, immense, sums of the public money,—money which has to be wrung from an impoverished people by onerous and crushing taxation. It voted extravagant pay to its members,—created exorbitant salaries for useless officials,—appropriated $10,000 to *furnish* a house for the "Governor,"—established a "third branch," or drinking room, in the Capitol,—lavished immense amounts, in the way of unnecessary printing patronage, upon its pet and organ, the Raleigh *Standard*, the SAME PAPER which recently uttered the foul slander upon the women of the State, and invoked the negroes to the most atrocious schemes of "Retaliation," if they were not given employment by those whose interests they were laboring to destroy.

3. Its Judiciary, with only an exception or two, have prostituted the bench, by descending to mingle in the dust and mire of politics.

4. Its Executive has appointed many ignorant NEGRO MAGISTRATES, numbers of whom have had to affix their *cross mark* to their official bonds, in very many of the counties of the State he has appointed negro Commissioners of towns and cities, who, in their turn, have appointed negro policemen,—all intended to degrade and humiliate the white men of the State, who refused to vote, *with* the negroes and carpet-baggers, *for him* for Governor; he has, in one or two instances, tendered the appointment of *Mayor* to negroes,—Chief Municipal Magistrate over communities of white men and refined white women; he has appointed negroes to supervise the interests and affairs of our noble State charities, which were built and have been fostered by the taxes of white men; at the instigation of a notoriously depraved white man, he sent a force of ARMED NEGRO MILITIA into the county of Halifax, to over-awe its quiet white citizens, which said depraved informant of this "Governor's" fled the State, as soon as his rascality was on the eve of exposure; he announced, in his Inaugural address, that no man in the State should be allowed to receive office or employment, who did not sympathize with him and his mongrel party in politics, and he has persistently acted up to that proscriptive declaration!

5. The Legislature and the Executive, together,—the Legislature at the instigation of the "Governor,"—have set on foot a plan for organizing a RADICAL ARMY, which, in the nature of the case, must be a *black* army, to embroil the State in strife, to oppress and intimidate white men, and, doubtless, to resist, if they dare, a return to the paths of the CONSTITUTION. This army will cost the *tax payers* of North Carolina a fearful amount of money. The negroes pay no taxes, except a poll tax, and that goes exclusively to the School fund, and for the education of their own children. We have already sufficiently ventilated this outrage upon *civil* liberty and the people of the State. It need only be said, in addition, that this "Governor," to carry out this Radical scheme of War and Treason, has appointed a carpet bag Adjutant General, carpet-bag Major Generals, and carpet bag Colonels by the score,—men who have led the negro to his injury and ruin, and who have no sympathies or interests in common with our people!

6. Eighty eight Radical members of the Legislature, when it adjourned, signed an address,—drawn up, it is charged, by a *Radical Senator* and a *Radical Supreme Court Judge*,—in which the negroes were indirectly, if not positively, advised to burn, steal and slay, if they were dismissed from employment for being members of a secret organization, or on account of the poisonous Radicalism which has been instilled into them by these same designing men.

7. During the late negro mass meeting in the City of Raleigh, the beautiful Capitol of the State was opened to hordes of negroes, in which to carry on their debauchery and orgies, and in which they *slept* by the hundreds! A few days thereafter, the Radical "Governor" REFUSED the ladies of this City the privilege of entering the Capitol *grounds*, for the purpose of presenting to their friends the FLAG OF THE UNION!

8. Finally, and as the culminating point of Radical outrage and infamy, the Raleigh *Standard*,—the RECOGNIZED ORGAN OF THE PARTY,—has *insulted*, in the most libertine and brutal manner, the fair and pure women of North Carolina and the South. The infamous and diabolical article is kept standing under our Editorial head. Read it, men of North Carolina,—fathers, husbands, brothers, sons,—and if you can read it, without feelings of indignation too big for utterance, you are not worthy of mother, wife, sister or daughter! READ IT and remember that its infernal suggestions *emanate from the avowed organ of Radicalism in North Carolina*!

These, fellow-citizens, are some of the fruits of a few months Radical rule in our good old State!

Will you not rise in your majesty and might, on the 3rd day of November, to REBUKE this party, and put the stamp of indignant reprobation upon it? We believe that you will. We tell you that it is barely secondary in importance to the election of a New-York man in North Carolina, at the ballot-box, that YOU rule!

GEN. MCCLELLAN has arrived in New York from Europe. At the urgent solicitation of the McClellan League, he has acquiesced in their wish to do him honor, and a grand demonstration of reception will take place in a few days. The members of the Legion will be dressed in uniform, blue blouse and pantaloons, white McClellan cap, and every man will bear a torch.

It is expected that Gen. McClellan will make a few speeches in Pennsylvania before the election.

THE ELECTION.—It is understood that the poll holders in the State will be instructed to have but one box for the ballots for Presidential Electors, members of Congress and to fill the vacancies of members of the Legislature. The arrangement is an unwise departure from the old plan, which was introduced by Gen. Canby. It seriously interferes with the independent choice of the people, and opens the door for deception and fraud.

WRITS OF ELECTION.—We learn that 'Gov.' Holden has issued the necessary writs, directing an election to be held in Harnett County, on the 3rd of November, for a member of the House of Representatives, *vice* Neill S. Stewart, Esq., declared ineligible, and, on the same day, in the Senatorial District of Cumberland, Harnett and Sampson, for a Senator, *vice*. L. D. Hall, deceased.

THE ASSASSINATION OF GEN. HINDMAN.—A later dispatch in regard to the death of Gen. Thomas C. Hindman states that he was assassinated on Sunday night, at his residence in Helena, Arkansas, while sitting in the midst of his family, smoking. His left hand, which held the pipe, was carried away by a charge of buckshot, two of which entered his neck, inflicting a wound from which he died eight hours afterwards. It is believed that he was assassinated by a political enemy—probably a "Union Leaguer."

THE AWFUL SOUTH AMERICAN CALAMITY.—By the steamer Alaska, at New York from Aspinwall, additional details of the terrible scenes during the late earthquakes are received. In Ecuador alone, it is now stated, the list of killed amounts to forty thousand. In Peru the dead are yet hidden under the ruins of houses in many instances, and a stench infects the air which it is thought will produce a pestilence. A band of robbers are roaming through the ruins robbing every one who has anything left.

There have been forty withdrawals from the treasonable U. L. A., in Rutherford, within a week, and over *one hundred* within the last three weeks. Hurrah for Seymour, Blair and the Constitution!

Gen. Kilpatrick, it is said, obtained leave of absence for three months from his post as minister to Chili, "to attend to imperative affairs." He has come home and gone into politics!—making Radical stump speeches.

STATE MATTERS.

Another prominent and estimable citizen of Craven is dead. Wm. B. Wadsworth, Esq., died at his residence, near Core Creek, on Wednesday. Mr. W. had filled many important stations with fidelity and usefulness.

Capt. Samuel L. Dill, one of the best and most useful citizens of Beaufort, Carteret Co., died on Sunday last.

Twenty-four marriages and seventeen deaths in Wilmington, during the month of September.

There are eleven Seymour and Blair Clubs in the county of Rutherford.

There was a meeting, in Newbern, on Wednesday night, of those who served in the Confederate army, for the purpose of endorsing Gen. Lee's recent letter to Gen. Rosecranz, and expressing their fidelity to the Union under the Constitution.

The Democrats and Conservatives of the county of Wayne will meet in Goldsboro', to day, to nominate a candidate for the House of Representative, *vice* John C. Rhoads, resigned.

The Newbern *Journal of Commerce* says that cotton is coming in very freely and that the streets of that city present a lively aspect.

In every section of the State, the slanderous attack of the Radical "*Woman In Sulter*," in this city, is being received with indignation. Read the infamous article under our Editorial head.

The Winston *Sentinel* says that a few white men, on last Tuesday night, tried to instigate the negroes to take down the flag from the stand where the Conservative speakers addressed the assemblage, and to mob P. F. Duffy, Esq. The negroes prepared for the undertaking, and their white allies took an *observation*, but concluded their cowardly hides would be safer at home than in a row, and failed to come to time with the negroes, who, being left without assistance, concluded to defer the undertaking.

Joseph Wm. Holden went to Pleasant Grove, Union Co., the other day, to speechify. On arriving at the spot, says the Charlotte *Times*, "he found, for an audience, ONE negro, and so, without getting from his buggy, he cursed sleepy Downing and left in disgust." This rival's Collards White son and "old Uncle Clem," at Banks'?

The County Commissioners of Wayne, with a shameless purpose to court fraud, have resolved that there shall be but four places of registration in that county. By this infamous arrangement, voters, in many cases, will be compelled to travel twelve or fifteen miles to register. If it should turn out that the voting is to be done at the same precincts, the mean attempt at fraud will be complete. The *Rough Notes* says:

"This act of tyranny and injustice derives deeper interest, from the present excited state of the country. No honest men, in such exciting times, would have sought to bring to the same point such large and a proper regard for the peace and quiet of society would have dictated the contrary course."

The crisis is such, that we hope that every Democrat and Conservative is prepared to *walk* fifty miles, if necessary, in order to register and vote. Let no one fail.

Judge Osborne, State Elector, Plato Durham, Esq., Col. McAfee, District Elector, and Col. W. M. Cocke addressed a large crowd in Rutherfordton, last week. They all spoke with fine effect and the audience was enthusiastic. Great changes are going on in Rutherford. The Radicals are *hipped*.

The next regular meeting will be held at Brookstown, Saturday, the 10th October, and all persons are invited to attend.

THE VOTE IN THE APRIL ELECTION.

We publish below, for the sake of reference, the official tabular statement of the vote in the April election in this State.—The 29,774, who did not vote, were men who were registered, and entitled to vote, at the time of the election. In addition to this, it may be safely estimated that 15,000 men in the State are now enfranchised, who could not vote before.

NORTH CAROLINA.

We have been put in possession of the following letter from a distinguished gentleman in North Carolina to a friend in this city. The writer is well known to the country as a gentleman of large experience in politics, able and exceedingly well-informed. His letter is entitled to all the weight of private opinion, and expresses his honest convictions in the frankness of a personal correspondence:—*Rich. Enquirer.

CHARLOTTE, N. C., Sept. 25th.

Dear Sir—In answer to yours of the 19th, which was only received last night, making inquiry in relation to the prospects of Seymour and Blair in this State, I take great pleasure in saying that they are decidedly good. The Democrats and Conservatives have only to use a reasonable amount of energy to ensure complete success. A full registration will give the whites a majority of nearly two to one over the colored votes—say 135,000 to 75,000. Only about 29,000 of these white voters have ever shown any disposition to forsake their race, and many of those did so only under the fierce pressure of their surroundings last spring. If the remaining 115,000 can be got out to the polls we can carry the State by 20,000 majority, *without a single negro vote!* In fact, however, we will poll at least 5,000 negro votes. So you see the figures give us greatly the advantage. Our disadvantages are, first, the general demoralization and broken spirited condition of our people, from which it seems difficult to rally them. The State government is also in the hands of a most corrupt and unscrupulous set of men who will scruple at no villainy under Heaven to accomplish their ends. We have reason, therefore, to fear frauds in the registration and voting exceeding even those of last spring, by which we lost at least 10,000 votes.

Holden's armed militia we don't fear. In fact, except for its direct tendency to bloodshed, we are anxious for its organization, as its presence would everywhere excite contempt and indignation. This, and other recent foul assaults upon the women of the State, by their corrupt leaders at Raleigh, will aid us greatly in stirring the somewhat slow, but very determined, blood of our people.

The defections from our ranks, I am happy to say, are confined entirely to the purchasable class of our citizens, anxious for office and fearful of their chances in the white ranks. The rank and file everywhere stand firm, and make constant additions to their numbers by scores and hundreds.

MARRIED:

In this City, on the 1st inst., by Rev. J. K. Howell, Mr. J. H. SEAGRAVE, of Wake, to Miss C. A. HERRITAGE, of this City.

REGISTER! REGISTER!

1. **Don't forget to Register. Every man must Register or he can not vote. If you registered before it will not answer unless you register now.**

2. Registrars will register names between the 15th of October, till and including the day of election, on the 3rd of November.

3. Registrars must give notice of the times and the places when they will register, and should not register at other times. No improper voter can be challenged except when he proposes to register; hence, the people should know when and where the registration takes place.

4. The Seymour and Blair Clubs must be sure to have proper persons at the Registrar's tables to challenge improper voters at all times. See to this.

5. There is no election in Virginia on the 3rd of November. We learn that negroes are being brought from Virginia into our border counties, on the pretence of working, but really for the purpose of registering and voting at our elections. Remember, no man has a right to register or to vote in this State unless he has been in the State one year before the election, and in the county, where he registers, thirty days before the election.

6. We beg our exchanges, public speakers, and friends generally, to have the people fully informed on the above subjects.

7. Tickets! Be sure to have every precinct well supplied with tickets. The names of candidates for Electors, &c., should be written or printed in full. Every County must order their own tickets in time.

COL. LIVINGSTON BROWN,

The Democratic and Conservative candidate for Congress in the 5th. District, will address his fellow-citizens at the following times and places, viz:

APPOINTMENTS.

M. S. Robins, Esq., our Elector for the 5th Congressional District, requests us to announce that Col. Livingston Brown and himself will address the people at the following times and places, viz: At

Winston,	Thursday, "	8.

Mr. Robins also requests us to say, that he extends a cordial invitation to the Radical Elector, Maj. H. A. Badham, to be present and participate in the discussion.

The reader will observe that several of the latter appointments conflict with Colonel Brown's previously published appointments. We presume that Col. Brown will attend his own appointments, as already announced, at Lexington, Albemarle and Winston, and that Mr. Robins will be at Spainhour's, Bethania and Winston, as announced above.

SEYMOUR AND BLAIR RALLY!

There will be a joint meeting of the Middle and Western Ward Clubs, at the Court House, on Monday evening, at 7½ o'clock.

Flour.—Messrs. McCauley, Freeland & Co., on Hargett St., have just received a fresh supply of fine Family Flour, from McCauley's celebrated Mills, in Orange. It is very superior. We speak experimentally.

Interesting matter will be found upon our first page, this morning. The pressure upon our columns from communications being removed, in a measure, we shall resume our practice of having reading matter on every page.

The Ladies Forever!—The ladies of Patterson Branch District, in this county, are making the necessary arrangements to present a Banner to the Seymour and Blair Club of that District.

The first bale of cotton from Franklin County was received last week by Messrs. Marks & Littlejohn, Grocers and Commission Merchants, Old Street, Petersburg, Va. It was grown by Mr. B. J. King, one of the most experienced, skillful and successful farmers in the county, and who received from Messrs. Marks & Littlejohn the premium of a ton of guano, offered for the first bale from that county.

The Signs of the Times!

The Approaching State Elections!

PENNSYLVANIA.

From the Special Correspondence N. Y. World

PHILADELPHIA, Sept. 30, 1868.

A flying visit to the western parts of the State, conversations with farmers in the rural districts, and a little of propagandism amongst the miners, enable me to repeat my former assurances, that, under some unforeseen "fortuitous combination of circumstances" for the Radical interests, a great triumph and a signal victory await the Democracy of the Keystone State. The farmers, hitherto, in a great measure, indifferent to, or ignorant of, the political issues involved in State and national elections, are now, thanks to the teachings of excessive taxation and a depreciated currency, fully alive to the necessity of change. The horny-handed sons of toil, the men who work in mines and forges, and who find that they cannot even live up to the scriptural decree for man, and "earn their bread in the sweat of their brow," find eloquent appeals in the scanty wardrobes and meagre fare of their wives and children. All classes crushed, broken down, impoverished—all except the bondholders, the office holders, and the office expectants—cry out for a new system of government, a system under which they may live and not die in the land which God has given them. The result will be that on the 13th. of October, you will find the largest vote cast ever recorded in Pennsylvania, and of this new element fully five sixths may be calculated on for the Democracy.

And Still they Come.—Col. John M. Connell, of Lancaster, Ohio, who stood at the head of the Lincoln electoral ticket of Ohio, in 1864, and who was the gallant commander of the 47th. Ohio Regiment, is an outspoken advocate of the election of Seymour and Blair. The Colonel is not only a gallant soldier, but is a public speaker of rare ability.—*National Intelligencer.*

OHIO.

Colonel Richard Coulter, of Pennsylvania, —"fighting Dick," as he was familiarly styled in the Army of the Potomac—a gallant soldier, who was shot through and through—has renounced Radicalism, and is now on the stump in Western Pennsylvania for Seymour and Blair. He is only one of the thousands in the Keystone State who have recently joined the Democracy.—*Nat. Intelligencer.*

THE WAY IT IS GOING IN SOUTHERN OHIO.

At a justice's election held here last week, Pomeroy precinct gave George Lee 199 majority against 20 majority for Thurman last fall—a Democratic gain of 179 in one precinct. A proportionate gain all over the county will give the county to the Democracy by 658 majority. Go in, boys! we will clean them out, this time.—*Pomeroy (Ohio) Banner.*

INDIANA.

We have reliable information from Indiana that there is not one particle of doubt as to the election of Hendricks (the Democratic candidate for Governor) on the second Tuesday of October, and as to the State going for Seymour and Blair in November. They want more greenbacks and less taxation in Indiana.—*Ohio Statesman.*

NEW YORK.

The intelligent New York correspondent of the Charleston *Courier* is sanguine of the success of the Democracy in the approaching election in that State. He says: "The Democrats will carry in the Empire State everything before them. They will elect all of their Assemblymen, regularly nominated, and have a majority, with some votes to spare, on joint ballot. Mr. Edwin D. Morgan will be called upon to vacate his seat in the United States Senate, and Mr. Samuel J. Tilden will occupy his desk on and after the 4th. of March next. Mr. Tilden is now chairman of the Democratic State Committee, and will be next Senator from New York in the United States Senate."

INDIGNATION MEETING.

GREENSBORO, Sept. 26, 1868.

Many of the citizens of Greensboro and vicinity, regardless of party, met in the Court House this evening to express the sentiments of this community in regard to the slanderous article in the *Standard* of the 19th inst., entitled "Work!"

A. P. Eckel, Esq., was called to the chair and J. W. Albright requested to act as Secretary.

The following committee was appointed to draft resolutions expressive of the sentiment of the meeting—Col. E. P. Jones, Levi M. Scott, John N. Staples, J. A. Gray and Joseph D. McCulloch.

While the committee was out, W. E. Edwards and Rev. Jno. Long each made a few remarks.

The committee returned, and through the chairman, Levi M. Scott, Esq., submitted the following report:

Whereas, The "North Carolina *Standard*," a newspaper published in the city of Raleigh, has given expression to sentiments of an atrocious and malignant character respecting the virtue and morality of the women of North Carolina, and in fact of the entire South, in its issue of the 19th inst., under an article entitled "Work;"

And Whereas, The citizens of Greensboro and vicinity, irrespective of party, deprecating the existence of such brutal malice, and regarding with scorn and indignation the vile wretch who wrote it, do unanimously resolve,

1st. That while we have borne in silence the slanderous indignities which this paper has persistently endeavored to cast upon the names and characters of our best men, this gross defamation of the women of our State and this vile attempt to degrade her honored name, by associating it with schemes of party malice, call for our loudest denunciation.

2nd. That it is our duty, as it is our pride and pleasure, at all times and under all circumstances, to protect and defend the honor and fame of the fair daughters of North Carolina.

3d. That we deem such attacks upon the female character as a base attempt to disturb the peace and quiet of society, and to promote discord, disturbance, insurrection and strife.

4th. That we abhor the slanderous assault upon the women of the South, in the article above referred to, and denounce the author of the same, as an infamous, cowardly knave, a vile traducer of the innocent and virtuous, and a thing unworthy to bear the name of man.

Resolved, That a copy of these resolutions be sent to the Raleigh *Sentinel*, Greensboro *Patriot and Times*, and *Old North State*, for publication, and a copy be sent to the Editor of the Raleigh *Standard*.

Mr. Scott made some very appropriate remarks.

The Secretary was requested to read the article referred to from the *Standard*, after which the resolutions were unanimously adopted, by a rising vote—both white and black voting aye.

A. P. ECKEL, Ch'm.

Jas. W. Albright, Sec'y.

GREAT MASS MEETING IN FORSYTH!

Two Thousand People Present!

GOV. GRAHAM, P. F. DUFFY AND COL. BROWN ADDRESS THE MEETING.

Tuesday was a glorious day for the Conservatives of Forsyth. Early in the day, the people commenced coming in, and by 11 o'clock at least 2000 were present, when the procession was formed, headed by two magnificent flags made by the ladies of Salem and Winston for the occasion, and followed by the speakers and the Salem Brass Band, and marched through Salem to Winston and back to the Public Square in Salem, where a stand had been erected, and which was decorated by the ladies, where the addresses were delivered. Hundreds of ladies, from every portion of the county, graced the occasion by their presence.

Gov. Graham addressed the audience in a speech of about two hours. It was a calm, dispassionate review of the past and present condition of our country. It was an able and telling speech, and is bound to have a great influence in our county. In the language of a Radical who listened attentively to it, who said, "It was one of the best speeches he had ever heard him make, and was entirely satisfactory, and any man not entirely wedded to prejudices could not help being convinced."

P. F. Duffy, Esq., next followed in a speech of about one hour and a half, and dealt eloquent and killing blows to Radicalism. Mr. D's. effort was appreciated by the crowd as the frequent and prolonged applause amply testified.

Col. Brown next followed, but, having a severe cold, and being very hoarse, he simply announced himself as a candidate for Congress in this District, and stated that he would address them at length, on Saturday, the 10th of October.

We have scarcely ever seen better order at a meeting than was preserved on this occasion. The Conservatives of the county may well feel proud of their effort of this day. It was encouraging to them, and every man and woman present felt that with a proper effort the county can be redeemed from out the clutches of black radicalism, and went home with the determination to work vigorously and unceasingly until the day of election.

It was announced during the day that at 7 o'clock in the evening there would be speaking again in the Public Square. When the hour arrived, there were several hundred ladies and gentlemen present, who were entertained for more than an hour by an able speech from Mr. Duffy. The work of the day was closed by Col. Masten in a short and appropriate addddress.

From the Greensboro' Times.

FACTS THAT TELL!

There is a great revolution going on among the better class of Republicans, that will tell at the election in November. The following letter will carry with it its own explanation and have an unbounded influence among the Society of Friends, where Mr. Lindley is so widely and favorably known. Nothing but a strong conviction of duty could have impelled Friend Lindley to thus publicly express himself upon politics—a subject which seldom claims any public attention from the quiet, peaceable, law abiding, intelligent Quakers. When they speak, their voice is always for *right*, TRUTH and JUSTICE—and the plain facts, so clearly and forcibly set forth in this letter, *must* carry conviction to the hearts of *all* who can calmly view the matter with unprejudiced minds. The Friends are for Law and order and have always strenuously and religiously opposed *war, violence* and *blood shed*—is it a matter of wonder then that their old leaders, who have always been Republicans, should abandon that party when it so openly violates *all law* and declares for WAR MEN and WAR MEASURES! They cannot longer remain with the Radicals and friend Lindley but expresses the sentiments of thousands, as will be seen at the next election:

Friends J. W. Albright & Bro.:

It is with some diffidence, but under a conviction of a sense of duty, that I now attempt to write a few lines, giving the reasons why I shall vote the Conservative ticket. Now every one knows that chooses to know, if he can read and understand, for it is a matter of truthful history—that the late President, the much lamented Lincoln, had adopted a peaceful constitutional policy by which he meant to have the Southern rebellious States reconstructed, and it is equally well known that President Johnson's policy was identically the same that Lincoln commenced to reconstruct upon. Now if we were in the Union that policy ought to have been adopted—and if we were out of the Union then the rebel ordinances were legal, and if we were *out* of the Union that Constitutional amendment which we adopted abolishing slavery is null and void, and slavery left an open question. Therefore it is clear that we were in the Union under the ægis of the Constitution, and the national and State laws were going on peaceably. Therefore it is a plain case that all the acts of the Radical Congress, called Reconstruction acts, are clearly unconstitutional and are in truth null and void. Now what are we to do,—support the Radical party who are going on with legislation entirely without Constitutional authority or shall we vote for the party that is pledged to bring our Government back to Constitutional measures again? I say let us cast away all prejudice and vote for Seymour and Blair, who are the Constitutional candidates and stand pledged to administer the Government with Justice, moderation and economy and in accordance with the Constitution. For the Radical course will bring us into another war, if they are allowed to continue in their unconstitutional acts, either with the rebellious blacks of the South or with themselves as traitors to the Government. Very Respectfully,

JOSHUA LINDLEY.

Radicals Selling Negroes into Slavery.—It seems that some time ago some "loil" men *did* ship from Mobile at one time about 150 negroes, under a pretext of taking them somewhere else where they would get big wages and have nothing to do; and instead of taking them to that paradise, *did* carry them over to Cuba and sell them into slavery.—*Selma (Ala.) Journal.*

Gen. Thomas Ewing and Hon. Henry S. Stanberry addressed an immense audience at Lancaster, Pennsylvania, on Saturday night. The day before, at Jonesville, Gen. Ewing spoke to the largest meeting ever held at the place.

NEW GOODS! NEW GOODS!

AT HOME AGAIN!!

WITH A HOUSE RAMMED AND PACKED FULL OF

NEW FALL AND WINTER GOODS,

FOR

1868.

COME TO

A. CREECH'S!

For Ladies' Goods! For Gentlemen's Goods! For Misses' Goods! For Boys' Goods! Ditto for Children!

MY STOCK IS LARGE AND VERY COMplete. Allow me to say that you see some very strange advertisements. Some say they bought goods before the rise—some after the decline—some just in time—some in luck again—some buy goods cheaper than anybody else—some selling goods at unprecedentedly low prices—some controlling the trade &c., &c., and all such stuff. What a lucky set of individuals!

Now just let ME tell you, that there is more humbug than pastry to all this. Don't every man, woman and child know that it is humbug—large enough to be seen even with one eye shut? So let them talk, puff and blow, but STOP. LOOK OUT! HANDS OFF! and show your good judgment by

COMING TO CREECH'S

to buy your goods. I intend to run through this campaign with my motto, to give each and every individual value received for their support!

A fine opportunity for the ladies to exercise their inalienable rights, as well as the gentlemen. Don't stop until you COME TO CREECH'S. You will find me at R. Smith's corner, attending to my business, always ready to give you the worth of your money.

THE NATIONAL DEMOCRATIC CONVENTION:

THE PLATFORM.

The Democratic party in National Convention assembled, rejoicing its trust in the intelligence, patriotism and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation to every species of property according to its real value, including government bonds and other public securities.

Fifth.—One currency for the government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bond holder.

Sixth.—Economy in the administration of the government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of legislative modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the government and the currency made good; the repeal of all enactments for enrolling the militia into national forces in time of peace, and a tariff for revenue upon foreign imports and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty and individual rights, and the extinguishment of naturalized citizens against the absolute destroy of humanity allegiance and the claim of his own powers to punish them for alleged crimes committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its every step. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge under which alone was rallied the noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as in its power, disunited it, and subjected the States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices and pries into the private rooms of individuals and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has subverted the American capitol into a bastile; it has established a system of spies and official espionage, to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is avowedly vested by the constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies, it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of government are tocking on their base, and should it succeed in November next and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any state of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and is sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of coequal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary and void; that our soldiers, who carried the flag of our country to victory against a most gallant and determined foe must ever be grateful by remembered and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people and should be disposed of either under the preemption or homestead laws and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson (applause) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard.

Resolved, That we approve of the platform of principles adopted by the National Democratic Convention. It pulters in no double sense—its language is explicit and its meaning clear—the issues presented to the country are plainly and unmistakably defined, and, with a free and fair election, we confidently believe they will be endorsed by a large majority of the people—and with that endorsement must come such a change in the administration of the National Government as will restore the Constitution and give peace, harmony and prosperity to the country, and especially to the down-trodden States of the South.

Resolved, That it is our earnest desire and intention to bring about these wholesome and necessary changes by the peaceful means of the ballot-box—and all efforts to produce a contrary belief, coming from what quarter they may, are but the tricks of interested partizans of a desperate political faction, bent upon perpetuating its power by any means and at all hazards. They are attempting to alarm the people of this State by the false cry of revolution and war, threatening them at the same time with military force; while, in other States of the South they have not hesitated to take from the people the election of electors of President and Vice President, and to confer it upon Legislatures, the members of which were elected under military rule without freedom of choice and with no regard to the question of the Presidency, in order to secure the electoral votes of such States for the Radical candidates, in disregard and defiance of the just rights of the people of such states, and of the whole country.

Resolved, That it is our frank purpose now, and has been since the close of our late civil war, to accept and abide by, in good faith and without disturbance, the legitimate fruits and consequences of that war; to yield to the Government of the United States a cheerful submission and allegiance, and to perform all the obligations of good citizens to their rightful Government. And we do proclaim that, in asking recognition on terms of equality in that grand co-partnership of States which constitutes our Federal Union, we do so with no hostile intent; on the contrary, we wish to share its benefits and its duties; to rebuild our waste places under the protection of its flag; to re-establish the old era of good feeling in our common country; to thwart the designs of unpatriotic men everywhere, who seek to perpetuate discord and division; and to participate in the blessings, as well as the burdens, of the government.—*Resolutions adopted by the State Democratic Convention of North Carolina, Aug. 14, 1868.*

UNIVERSAL LIFE INSURANCE COMPANY. A GOOD NAME Leaveth AN INHERITANCE. 1850

Losses paid in 30 days. No restrictions on TRAVEL or RESIDENCE.

No extra charge for Females. No charge for Medical Examination, Policies or stamps.

NEW YORK.

THE UNIVERSAL LIFE INSURANCE COMPANY, NEW YORK.

Office, No. 69, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The business of this Company is EXCLUSIVELY confined to the insurance of first-class healthy lives.

THE DISTINCTIVE FEATURE

of the Stock system of Life Insurance, as opposed to the MUTUAL, is a low rate of premium for a stated sum assured, which is IMMEDIATE, SECURED, and CERTAIN; in lieu of a high rate of premium for a promised dividend which is UNCERTAIN, CONTINGENT, and UNCERTAIN; this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

ILLUSTRATION.

Suppose that an individual aged thirty desires to devote $200 a year for the purpose of effecting an insurance on his life; this amount will immediately secure him in the "Universal" the sum of $11,751, payable on his decease. This sum, paid to a Company charging the ordinary mutual rates, would secure him the sum of $8,474.

The difference between these sums ($3,277) is exactly the same as an immediate bonus or addition to the policy to be paid by the former office to the holder of the policy in case of the early death of the insured. It is true that if the insured, in an office charging high rates, *lives long enough*, and have his periodical dividends added to his policy, the sum may equal or surpass that above named; but it must not be forgotten that the *chance of early death* is the very thing the applicant desires to insure against, and consequently the greater the sum immediately secured, contingent on this event, the greater the advantage to the policy-holder.

To illustrate the importance to the policy-holder of low premiums in more general terms, it may be stated that by a reduction of *twenty-five* per cent in the rate of premium, the same amount of money will secure a policy *thirty-three and one-third* per cent greater and likewise that a reduction of twenty-five per cent. in the rate of premium is precisely equivalent to an *annual cash dividend of thirty three and one-third per cent., payable in advance*, or to a dividend of *forty-five per cent*, payable at the end of five years.

By the *Stock* plan the *full cash effect* of the premium is *immediately* secured to the insured, the Company taking *all* the risk. By the *Mutual* plan, the full value in insurance of the premium paid is *not* secured to the policy-holder, who takes a portion of the risk himself.

Rates to Secure $1,000 at Death.

Age.	Ordinary Life Rate.	Ten Payments Rate.	Age.	Ordinary Life Rate.	Ten Payments Rate.
